Rotary Opens Opportunities

From the President

Good Morning "Funrisers"

Well, what a start we have had to our year, almost reminded me of my Army days with 'great coats on/great coats off' – there were many changes to how and when we would hold our Changeover, in the end we were able to hold a face to face dinner last Wednesday evening.

My sincere thanks to all members and friends who were in attendance for what was a truly lovely evening enjoyed by all, good food, good ambience and, more importantly, great camaraderie. We certainly know how to have fun! Our thanks have been extended to the management and staff at Camden Golf Club for their assistance.

We were most honoured to have a number of dignitaries present to enjoy our very special night, and we thank the following for their attendance and support – DG Warwick Richardson, IPDG Di North, PDG Stephen and Judith Humphreys, Macarthur AG John Pillay, St George AG, and former member, Anita Robinson and President Gregory Hills Next Gen, Kim Meredith, I look forward to working with all in the coming year.

Due to the changes in our schedule, this week is Club Forum with a very special message from RI President, Holger Knaack, and I hope that you will be in attendance either at the Café or on Zoom.

We have had information that it may soon be time to dust off our Club Shirts and Aprons as BBQs are just around the corner – time to start raising money again!

It is now time for us to look at what we can do for our Rotary Club, how we can be involved, who we may know that would enjoy the fun and camaraderie that we have while doing what we can to assist and aid others who are not as fortunate as ourselves.

The year ahead is full of endless opportunities, our challenge is to Open these Opportunities.

President Barbara

In Rotary, July is a time of new beginnings, a time to reconnect with each other across distances and differences and to respond to change.

July is designated New Leadership Month - each year Rotary Clubs and Districts across the globe induct new leaders.

Rotary develops leaders by providing opportunities for all members to provide service to our local communities and communities across the globe. With that service comes a learning experience in the areas of leadership, team building, planning, marketing, communication, and organization.

Serving as a Club or District officer or committee member provides an opportunity to enrich your leadership skills by sharing experiences and ideas with other Rotarians throughout the region.

Learning from WASH Failures

Date: Tuesday July 14, 2020

Time: 11.00 am (Eastern Daylight Time)

Duration: 90 minutes

Rotarians are rightly proud of their WASH projects; they love to talk about them. But we don't discuss failures - the many projects that no longer function, no longer benefit the community.

This Breakout Session will discuss why projects fail: poor management, not engaging the community, ignoring local authorities, wrong technology, failure to build capacity, no funds for operation and repair, poor monitoring and feedback.

Moderated by Chair-emeritus PDG Ron Denham, this session will feature Rotarians from India, Kenya, Ghana and North America. They will tell us about failed, unsustainable projects; why they occurred and, more importantly, the lessons learned and implications for the sustainability of future projects.

So much effort and funding goes into failed projects. Join us to find out how to avoid the pitfalls and ensure your next WASH project succeeds!
