WHERE ARE WE GOING?

Issue 011

June, 2024

From the President

Good Morning Funrisers,

The weather bureau has advised that it is going to be a warm winter, so, I hope you are all appreciating the warmth when you get up early to enjoy our morning meetings! Seriously, it is a challenge, however, wonderful to see so many make it each Wednesday.

On the 22nd of May, Di, Lee and myself presented reports on the District Assembly sessions we were able to attend. This evinced some interesting discussion on all portfolios and, as said previously, we all learned something new.

Last Wednesday's evening meeting gave us the opportunity to meet and hear from Sharon Robertson the CEO and Founder of No Home My Home. Sharon was accompanied by Tia Veech and it was wonderful to hear the enthusiasm and passion of both. I'm sure that all in attendance see this as a most worthwhile charity for our fundraising efforts at our Dolly Bush Bash.

Last Thursday, Di and I attended the Macarthur Presidents meeting where clubs shared their actions for this year and proposals for the next, some really interesting ideas for all to consider. It is tremendous that the clubs of Macarthur work so well together and great to see our Macarthur Rotaract club included in the group.

If you haven't booked for Changeover, please do so TODAY! We have to present our numbers and deposit to the Hermitage or we may lose the booking.

Many thanks to the "Dolly's Bush Bash" team, great work on reaching your target – next time we may require a larger venue?

Please remember, speedy recovery for those who are not well and we look forward to you and those who have other commitments, at this time, joining us as soon as possible. We are only a phone call away if any member is in need of assistance.

We have worked hard this year and our year continues to be full of endless opportunities, our challenge is to CREATE HOPE in the WORLD.

President Barbara
