Rotary Opens Opportunities

### **From the President**

Good Morning "Funrisers"

It is great to report that I have 'escaped' hospital and am now recuperating at home, albeit still have to keep up the exercises and attend rehab twice a week. The hardest part for me is that I am unable to drive for six weeks, however, have wonderful support from my family and friends.

I am also pleased to report that Malcolm has also returned home and, he too, has a full-on exercise program to follow – keep up the good work Malcolm, we look forward to seeing you soon.

We have our second social evening meeting this week and, once again, it will be held at Camden Golf Club, we are still looking at alternatives, however, many venues are unable to comply with COVID requirements. Remember, family and friends are most welcome to join us for these evenings. Although the coldest days of the year, the Equestrian team turned out on Saturday and Sunday to set up and dismantle the event fields. My sincere thanks to all of you, it is great to be out and working in the community while enjoying each others company and I am sorry that I couldn't be there with you.

This Friday is the Daffodil Day event at Di Blyth's home, it would be terrific if you can attend what will be a wonderful event, however, if unable to attend, perhaps you may consider a donation to the cause.

My thanks to all who took the time to participate in our fundraising group meeting on Zoom last week. Discussion was good and plentiful and the group is looking at several different fundraising and community avenues, including how we can align ourselves with a small local group who may be in need of assistance, the board will look forward to their recommendations.

We are still having sound and timing problems for those members choosing to Zoom in to meetings, however, we are working hard to ensure that all members can participate and enjoy their Rotary experiences.

Don't forget, see where YOU can Open Opportunities. Keep well, stay safe.

### **President Barbara**
