BE THE INSPIRATION

From the President

Good morning Sunrisers 
Well another busy week for us all soon Christmas will be upon us hope your all getting your Christmas gear together for our party. This week will be our AGM so bring your A game. Nearly 6 mths into my presidency and while I have yet achieved the things I want to we have packed a lot into the last months and I look forward to kicking some goals in the 2019. Have a great week and remember to smile it's infectious.

Shout Out

This week I want to thank Anita for her many years of Sunrise Service. We will miss her and hope that she pops into our meeting every so often. Wishing a great charter night and many happy years of Rotary. Thank you for introducing me to this fabulous bunch of superheroes.

HOLIDAY SNAPS

Last Wednesday we heard about the fantastic holiday that Cathie and John recently had touring around Greenland which included Siorapaluk, Nuliarfik Glacier, and Devon Island Ice sheets. They then moved on to tour the USA and hopefully they will be back to tell us more.

SUNRISE CHRISTMAS PARTY

Wednesday 5th December is our Christmas party at Melaleuca House, The Australian Botanic Garden, Mount Annan Drive, Mount Annan. Please meet 6:30pm for 7pm start. Cost is \$50pp

We will enjoy a traditional Christmas buffet, including both hot and cold selections of antipasto, roast turkey, baked vegetables, tiger prawns, salads and ending with Christmas pudding, custard and fresh fruit.

XMAS HAMPERS

We are collecting nonperishable food items and toiletries to make hampers this Christmas for people in need in our community. We will give these to Paul Mackin's organisation 'We are community' just before Christmas.

We would like for everyone to bring at least 2 items each week. At our last meeting on the 12th of December bring along a basket or a box and some wrapping to make up the hampers.

LETTER OF THANKS

Good evening Cathie.

We love visiting the playgroup at Ingleburn each week. It is a fantastic facility for myself to bond with my girls, I get so disconnected from my daughters due to busy commitments running a household. My two daughters love going to bed reading their books. They have certainly helped Lucy who is 4, as she has a delay in communication due to lack of hearing and reading each night has helped her learn to communicate, learn and demonstrate her understandings. Sophia has a strong personality and a great imagination.

Imagination library is so wonderful.

Thank you

Charlene Murarotto
