WHERE ARE WE GOING?

Issue 009

May, 2024

From the President

Good Morning Funrisers,

The last few days have well and truly let us know that winter is on its way and we can look forward to a cold and wet few weeks in the meantime.

There were many wonderful commemorative ANZAC Services in Macarthur and it was wonderful to see the large numbers present at these services. I was greatly impressed by the respect shown, particularly from the children.

Last week's guest speaker was Dr Alex Buttfeld, the Deputy Director and Co-Director of Emergency Medicine Training, responsible for training new emergency specialists at Campbelltown Hospital. Dr Buttfeld spoke passionately about his aim to upskill Emergency Department nurses in paediatric life support. The Advanced Paediatric Life Support course is widely recognised as the international gold standard in paediatric emergency training courses. The course has been developed for doctors, nurses and paramedics looking to increase their confidence and clinical skills in the emergency management of ill and injured children. Our Board is considering how we can assist this most worthwhile program.

My sincere thanks to everyone who participated, last Sunday, at our Bunnings Gregory Hills BBQ. The location is very sparse on protection and it was a very trying, wet and cold day with a much smaller return than our usual efforts, however, the Macarthur Sunrise camaraderie and fun made it so much easier to make it to the end of the day. Well done everyone.

Changeover Invitations have been sent to all members (past and present) as well as all those who receive a copy of our Newsletter. Di and I sincerely hope that you may be able to join us for a very special time in our Rotary program. Please ensure that you make your booking by 31 May.

While remembering to book for Changeover, keep in mind our major event "Dolly's Bush Bash" where we will be raising funds for the homeless through "No Home My Home". If you are having trouble getting online, speak to Allison or Di and they will be pleased to make the booking for you – you still have to pay though!!!!

Incoming Board members are asked to attend District Assembly which will be held at Bankstown Sports Club on 18 May from 8.30 am – 4.30 pm. We need to confirm numbers so, please let Di know if you can attend, there is always something new to learn about our wonderful organisation.

We really miss those who are not well, or not able to be with us at the moment, and we hope that you may return to the fold in the near future. If you have a need, our members are extremely happy to assist. To our travellers, enjoy the break, stay safe and return to us ready to have more fun.

Our year is always full of endless opportunities, our challenge is to **CREATE HOPE** in the WORLD.

President Barbara
