Where are we going?

Last Week

Last week was our Social Evening. Held at *The Vines*, Camden, there were eighteen present although only ten, including Hon Member Tanyia, were our members.

It was a relaxed evening. The food was great and the chatting pleasant.

This occurs on average three times a year and the next would be due on the 29th of August.

School of St Jude

For quite some time now, we have supported the School of St Jude in Tanzania by sponsoring a student.

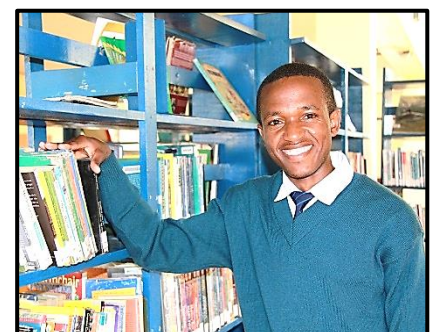

Our student is Pascal Nico and he has now graduated.

Pascal is now waiting to attend University and wants to be a medical doctor.

We received a letter from Pascal in which he says:

"I am very happy to write to you this letter to inform you about the community service that I am doing now. I have finished my secondary education and managed to pass well my examinations and before joining my tertiary education I chose to do community service in which I could give back to my community the knowledge that the School of St Jude has given me. I have been able to help through teaching the Government School in Dur Street and actually enjoy helping them because they lack enough teachers.

My special thanks are to you all for supporting me to this point where I am today."

Coming Up

Again, a reminder. The Club Changeover is only three weeks away. Are you coming?

Last week we sent a copy of the invitation to you and asking both that you come and that you don't come alone.

This is one of our really significant events and we really do need your support.

Contact Pres Denise if you haven't already done so or put your details in the **GREEN BOOK.**

Looking forward to a great evening.

Check out the next page to see our up and coming activities with the Sugarloaf Cobbity Equestrian Club setting up and pulling down our fund raiser. Apparently, it is easy. It just needs a few hands to make the light work as the saying goes.

This month is busy with changeovers and they, like us would welcome your support.

So far July is quiet but you can be certain that the incoming Board will surely find something for you to do.

FROM THE PRESIDENT

Well hello Sunrise, it's been a while!

During my time away I was able to attend the Days for Girls Conference. We heard from the organisations founder how it grew from a simple question 'how do the girls manage their periods there?' to become an organisation serving girls in 125 nations across 6 continents.

The Days for Girls goal.....to reach Every Girl, Every Where, Period by 2020.

Unfortunately, I was unable to attend the May Presidents meeting to hear Rotarian Mark Huddleston speak about his book Creatures of Habit.

Mark posed the question. Do we have a membership problem or an image/culture problem? He promotes less meeting time and more time engaging in doing!

Our challenge is to be a Club that's fits a modern Rotarian and not seeking out a Rotarian that fits our current mould.

I would be interested in your thoughts on the shape of our Clubs mould.

Are our meetings interesting?

Are they welcoming?

Are they efficient?

Are we punctual?

Are our guest speakers informative?

Is the food and service good at our venue?

The Board will meet following this week's meeting, if you have a matter you wish to have discussed please mention it to a current or incoming Board member.

Have a great week and keep breaking the mould!

Denise

ANNIVERSARIES

We have two anniversaries to note for this week.

The first occurred yesterday and it was Malcolm's birthday. We don't tell you how old he is now, but we do hope that it was a joyous occasion.

The second relates to tomorrow when we note that Kay Sidman has been with us for a whole year

It has been the way of Rotary to focus thought upon matters in which members are in agreement, rather than upon matters in which they are in disagreement.
