WHERE ARE WE GOING?

Issue 007

April, 2024

From the President

Good Morning Funrisers,

We certainly enjoyed wonderful weather over Easter and I hope you were able to enjoy the holiday break. Who would believe that, only one week later, we were, once again, experiencing an extreme weather event with local floods and evacuations. We are so lucky to have our SES, RFS and Emergency Services, together with so many other volunteers who 'jump' in to help on these occasions. I sincerely hope that you were not impacted and stayed safe at all times.

Last week's guest speaker was Tim Cupitt, our RYLA student, who returned to tell us about his experience. Tim is a very quiet, somewhat nervous, young man, however, he responded well to members questions and his mother assured us that the RYLA experience had helped him considerably with his Scouting leadership and personal confidence. As always, we will continue to support the program.

On Friday 5 April, we celebrated 29 years of Rotary Service, my congratulations, particularly to our Charter members, and all who have played some part in these wonderful years.

Once again, some of the other local Rotary clubs have events in the pipeline and it would be terrific if members could support. I am looking forward to attending the Camden Musical Society's "Charlie and the Chocolate Factory" presentation on the 18th of April as this will be a Rotary Charity event with proceeds supporting Youth Solutions.

Our own fundraiser, "Dolly's Bush Bash" on 15th of June, is well underway with members 'walking the streets' posting flyers!! We need everyone's assistance to make this a great fun night as proceeds will be supporting a most worthwhile cause "No Home My Home", who provide quality shelter and support for the homeless, as well as our own Rotary projects. See where you can assist to encourage as many as possible to attend.

Next Monday, I will be attending Liverpool Hospital for the handover of the TOE probe which will change lives for those patients undergoing cardiac surgery. This probe cost in excess of \$100,000 and General Electric offered it to our District for \$30,000. District clubs were asked to donate and our Board pledged \$1,000 toward the purchase, needless to say, with the assistance of many clubs and Rotarians, the purchase was achieved. Another great result and thank you for the part you play in raising funds for such great causes.

Best wishes to our members who are not able to be with us at this time, we look forward to the time when you can, once again, enjoy the camaraderie of Rotary. As always, do not forget to contact us if you are in need of any assistance.

Our year is always full of endless opportunities, our challenge is to **CREATE HOPE in the WORLD.**

President Barbara

RYPEN 2024 DATES

17-19 May - @ Teen Ranch
9-11 August 2024 @ Telford, Royal National Park

RYPEN

The Rotary Youth Program of Enrichment, is
for young people aged 14 to 16 years who
have shown qualities and application in
everyday life which deserve further
development

RYPEN

Uses the common bonds of
learning, cooperation and
friendship to design activities
which facilitate trust and self-
esteem. RYPEN seeks to
broaden each participant's
horizons culturally, and
academically, providing the
inner foundations for a strong
future.
