WHERE ARE WE GOING?

Issue 012

June, 2024

From the President

Good Morning Funrisers,

A wonderful couple of weeks for our club even though we experienced some chilly and wet weather. On Wednesday 5 June we learned a great deal about member, Alison, when she completed the dreaded '20 Questions'. Her time growing up in Camden, subsequently becoming a teacher and, now, joining and fully participating in Rotary through our club. Congratulations Alison, we love having you on board.

Our Board meeting followed and members were informed of the outcomes at Club Forum on 12 June. Forum also allowed members to be involved in gainful discussion, on several matters, with one of the suggestions being to change our meeting time to 8.00am for the Winter period only. General discussion ensued, however, although some were interested in this thought, the majority thought we should remain at 7.00am and look to the original reason our club was formed – to attract members who would be able to meet early and leave in time for their respective businesses.

On a terribly cold and windy evening, Di and I attended my final District Presidents meeting on Thursday 6 June at the Bankstown Sports Club. DG Tonia, gave us a short report on the RI Convention in Singapore, advised that the next RI Convention will be held in Calgary and that it is possible that future RI Conventions may be bi-annual. We were also advised that the District Conference will not be proceeding next year, however, there will be a day of Rotary Celebration – further information 'down the track'. Next year the District Governor's role will be shared between PDG Warwick Richardson, PDG Sue Hayward and PDG Tonia Barnes.

My sincere thanks to our wonderful team (and their tireless supporters) who put together our Dolly's Bush Bash last Saturday night. It was a great night of fun and camaraderie, the band was terrific, the dancing 'suspect' (amazing how many of us have two left feet!), and good food in an excellent location. Yes, it was a little 'cool' however, the fire pit and general feeling in the 'room' made for a very lovely night. We were also fortunate to have some great supporters to help raise funds for Rotary and No Home My Home. Congratulation to everyone who helped and supported.

Di and I attended Campbelltown Rotary's changeover at The Hermitage on Monday evening, the meal was very good and we were pleased to see that we hadn't ordered the same menu for our function. Next week is our own Changeover, at The Hermitage, and we are expecting a number of visitors to join us this year. Please note the time is 6.00pm for a prompt start at 6.30pm, drinks are at members own costs with pre-dinner drinks in the bar area before proceeding in to the dining room.

As always, we hope that those who are not well or those who have other commitments, at this time, will soon be in a position to join us as we continue to miss you. If we can assist at any time, Rotary friends are only a phone call away.

We are moving toward the end of this current year, however, our year continues to be full of endless opportunities, our challenge is to CREATE HOPE in the WORLD.
