Issue 004 February, 2024

From the President

Good Morning Funrisers,

Last week we had the pleasure of the company of PDG Stephen Humphries, Chair of Australian Rotary Health (ARH).Stephen gave us a history of ARH and the research work that has been completed in the past and what is being achieved currently. It was amazing to hear about the research involving children's mental health and that it begins prior to birth. A wonderful presentation much enjoyed by all members.

Di, Cathie and myself attended the District Presidents meeting in Bankstown on Friday evening, another evening of interest with opportunities to become involved in most worthwhile projects. The Regionalisation groups have been determined with our group now involving 15 clubs – all from Macarthur with the addition of Blacktown City, Holroyd, Liverpool, Liverpool West, Sydney South West Rotaract, Wetherill Park and our own Macarthur Rotaract. There will be more information shortly in regard to Facilitators for each group.

Tonight is our 'Bare Foot Bowls' social evening at Campbelltown Bowling Club, I hope the weather will be kind to us and that all those who attend have a very enjoyable time – remember, keep practising, we may have a bowling challenge coming up soon.

My apologies for not attending next week's meeting, I will be in Ulladulla and may be in a position to visit their Rotary club for camaraderie. There is still time to book for District Conference, you could look at options to attend for one day only – always a great opportunity to catch up with other Rotarians in our District. Our club's Board meeting has been postponed until the 13 March.

There are a number of other Rotary club's functions coming up in the future, it would be great if we could have members in attendance at these events, also, don't forget to get your friends together for our 'Dolly Bush Bash' on 15 June, we would like this to become an annual fundraiser – check in the 'Green' book.

As always, our thoughts are with those members who are not feeling well or are unable to be with us at this time, we hope that you will all be able to join us in the near future. Remember, we are only a phone call away if needed at any time.

Our year is always full of endless opportunities, our challenge is to CREATE HOPE in the WORLD.

P.S. Where is Dolly P Koala???

President Barbara
