

Quo Vadimus

Where are we going?

The Bulletin of the Rotary Club of Macarthur Sunrise,
Macarthur Group, District 9675
Wednesday, 24th January 2018
Solis Ortus (Sunrise) - Campbelltown 6:10 am

What's Happening

Please check the last page of this edition to see the list of events that are coming up.

This week of course is the Australia Day BBQ Breakfast, which will be held at Koshigaya Park in Campbelltown in support of the Council's proceedings which includes recognition of people and events and the issue of Certificates of Naturalisation of people as Australian Citizens.

In just three weeks our Team takes off for Cambodia. We do wish them every success in the work that they will do. We can expect a detailed, and illustrated, report on their return.

After that there are a number of events that need our support. Both locally and at District.

District has three events to note:

1. District Conference. This year it will be held at Mudgee.
2. The next is the one day event, District Assembly which will again be held at the Greystanes High School. A wonderful day to catch up on what's new in Rotary.
3. The third is the Fight Against Polio Fund-raising Dinner. Don't forget; we are nearly there. Also for every dollar we raise Bill Gates matches it with two dollars.

Check the **Green Book** for details.

Inside Information

Last Week

Our first formal meeting for the post-Christmas/New Year Break. Not a great attendance with only eight members present (40%), still as time moves on we hope to see more present.

Present in addition though was PP Paul Mullaly and his wife Robyn. Great to see them both. Paul asked to be included in the e-mail version of QV along with Friends.

PP (also past member) Paul

Last week Denise also gave out to those in attendance their copy of the *Gift of Time* certificate. She still has 60% to distribute but hopefully numbers attending, now that the holiday period is over, will increase.

Please let Denys have your hours for the past month (that is 'months' for quite a few) as soon as you can.

Rotary Garden, CTU

A couple of weeks ago we had a visit to the Campbelltown Hospital Cancer Therapy Unit to look at the completed renovations of the Sunrise Garden. The staff were very delighted at the renovations. Now, to complete the work, a set of table and chairs has been added.

The door from the passage way in the Unit is now left unlocked so that patients and staff can use it at any time.

The watering system is working well and it all looks fresh.

The other half of the Garden has yet to be completed and the contractor will be working on this shortly. It also will be of Japanese floral design. This is so that insects are not attracted to the locality since, for those undertaking chemo-therapy, they can be a major problem.

Letter from Paskali

We have received a letter from Paskali Niko, the student that we have supported at the School of St Jude in Tanzania.

Paskali has now finished school and will be beginning his study at University in October. Until he does go to University, Paskali will be performing Community Service. As Rotarians we certainly support this.

Paskali will be studying Medicine at University. Tanzania really is in desperate need of doctors, so this is a wonderful choice. We will continue to support him.

If you didn't receive a copy of the letter and would like one, then please contact Barbara babsbiz@bigpond.com

Contact Details

A new edition of the handbook, *Contact Details*, of members has been completed. With some changes in membership since the last edition in September 2016 an update was needed.

Please check your page and, if OK, initial the bottom of the sheet. Let Denys know if you have any changes.

One of the comments in the past has been about the individual photos at the top of the page. These come from our records and if you think you have a picture of you that makes you look prettier then please send it to Denys and he will replace the current one.

If you are still away, then a copy of your page will be e-mailed to you for examination. If nothing is heard, then we will assume it is correct and the new booklet will be printed and circulated to members as soon as possible.

Please note that distribution is, for security reasons, sent out only to Members, that is currently twenty copies only. Our general distribution for things like *QuoVadimus* is now about fifty.

Rotary Club of Macarthur Sunrise Inc.
(ABN 14 922 650 741)
PO Box 1181
Campbelltown NSW 2560

The Rotary Four Way Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned.
