MERRY CHRISTMAS

and Good Morning "Funrisers"

'tis the Season to be jolly – Ho! Ho! Ho! So let us all get out and enjoy this time with family and friends. I would like you all to celebrate the year that has gone and look forward to the year ahead. Our team has done remarkable things this year which have allowed us to make donations to Blue Wren House, WILMA and Angel Tree which will assist them in providing suitable Christmas packages for their clients.

My sincere Congratulations to Di Blyth and the newly elected 2023-25 Board, also to Cathie for accepting the 2025-26 President Elect position, I know it will be a great year.

Together with DG Tonia and Chris, members of other Macarthur Clubs, friends and the Police, Peter and I took part in the Rotary Against DV Walk last Saturday – a wonderful day for a walk at 40 degree temperature! Sanity did prevail and, by unanimous approval, one lap of the lake was deemed appropriate, followed by talks from DG Tonia and the Police liaison officer explaining the reason for the walk and the hopes for continuation in the future. Refreshments at the Gardens Café were most welcome at the conclusion. Our thanks for AG Kim for organising the event.

For those members who are unable to be with us for our Christmas breakfast, we send our love and best wishes for speedy recoveries and look forward to having you return in 2024.

This being our last meeting for the year, my sincere and best wishes to all members, families and friends, for a very Joyous, Safe and Holy Christmas and New Year. I look forward to our return to Sugar Mint Cafe on Wednesday 17 January.

Our year is still full of endless opportunities, our challenge is to ***CREATE HOPE IN THE WORLD***

CREATE HOPE in the WORLD

President Barbara
