Where are we going?

The Bulletin of the Rotary of Macarthur Sunrise, District 9675
Wednesday 29th April 2020
Solis Ortus (Sunrise) Campbelltown 6:30am

From the President

Good morning Sunrisers and welcome to week 43 from Bunkerland. I hope you're all coping and keeping safe and sane.

This week we have a very inspiring guest speaker, Mali Dillon. I'm sure you'll find her very interesting. Thank you to Malcolm for arranging some high-quality speakers this year.

During this time when a lot of us have "free time", there are many Rotary resources available to us to learn more about what is happening in the bigger Rotary world. At present all educational events are online and easy to access. Thank you for all who have been depositing weekly funds into our account, so far we have over \$400. Not unexpectedly we were advised that our application for a grant for Disability through Club Grants was unsuccessful. Hopefully once licensed clubs start trading again the grants may be offered. Our Board is meeting this afternoon for probably the second last time this Rotary year. Normally we have a Club Forum following the Board Meeting. Malcolm has arranged for

Greg Warren to be our guest speaker next week at 7.30am. We could meet at 7am for Club Forum which only gives us 30min for vital discussion on club matters.

Can I please ask you all to let me know if you are in favour of the meeting starting at 6.45am or having a separate meeting between the Board Meeting Wednesday and next Tuesday. Personally I prefer a separate meeting sometime in the afternoon. It gives us another opportunity to get together. Think about it! (In the words of a well-known orator)

Keep sane and be kind ☺

President Liz

LAST WEEKS MEETING

Last week's meeting was a great turn out again with nearly everyone zooming in, we also had DG Di North updating us on her trip with the Interplast Surgical Mission to Myanmar last November.

IN THE COMMUNITY

Bread Tags for Wheelchairs – How can I help?

Collecting bread tags enables Aussie Bread Tags to provide wheelchairs that change the life of disabled people in need, as well as keeping the tags out of landfill to help to preserve the environment. It is a community program where individuals and organisations collect bread tags, which are sold to recyclers. The money raised pays for wheelchairs for the less fortunate which are purchased through a local pharmacy. By the start of 2020, Bread Tags for Wheelchairs had funded their 800th wheelchair, which included three funded by Aussie recycling.

Also, one of their biggest challenges at the moment is transport of tags from other states to South Australia. If you have any contacts that may lead to some donated transport, please email aussiebreadtags@gmail.com.

Or if you are planning a trip to SA (once it is safe to do so of course) and have room for a couple of boxes, that would be great too!

Collection point for bread tags in Campbelltown is at the Hub Uniting, 6 Iolanthe Street Campbelltown
