## BE THE INSPIRATION

### From the President

Good morning Sunrisers,  
I hope you didn't miss me too much last week? I suspect you all enjoyed the morning of peace.

All the dates for Discobility have been booked thank you Denise for your help and check the green book and pop your name down so we can continue this amazing project.

Cathy is cruising along with the Dolly Parton Imagination Library and Denise and her merry group of sewers are back in the swing of it.

Forum this week so look forward to hearing some ideas and inspiration for a possible new project.

Its been hot I hope that we are all looking after ourselves, family, neighbours and pets, I think we may have a little more of this extreme weather to go.

Stay cool my wonderful sunrisers and lets amp it up in the coming months.

### Shout Out

This week goes to Rob and his creativity in levelling the BBQ at Bunnings and returning in the afternoon to help Denise out.

President Bec

### OTHER NEWS

In the latest newsletter from 'Seven women' they tell us about Stephanie Woollard being awarded the Order of Australia Medal at the recent Australia Day celebrations. And they thank everyone who has been involved with them throughout their 12-year journey.

The guest house renovations are in full swing, by mid-year they envision the guest house open to the public. In the next 12 months to be providing training and employment to many marginalized local Nepali women.

Recently Steph appeared on the "Humans of Purpose Podcast, a weekly conversation with purpose-driven leaders with Mike Davis. Check it out.

### ROTARY MONTHLY THEME

Peace and Conflict Prevention / Resolution is Rotary's theme this month, a topic that is not talked about very much. It is often, however, the conflicts that occur throughout the world that are the root causes of poverty, despair, economic hardship and poor health. As Rotarians we should all be committed to understanding the conflicts, to speak out when necessary, and to seek solutions that reflect the values of Rotary.

More information can be found online on the various Rotary sites including Rotary International, district 9675 facebook page, to name a few.

### APPOLOGIES

In last weeks Quo Vadimus I wanted to express our thanks to all the great people who helped us at the Australia Day BBQ but I made an error saying that it was helpers from Roteract, but in fact it was the great kids from Eagle Vale High School Interact club, my apologies for this error, but we really do appreciate your help very much.
