## Where are we going?

The Bulletin of the Rotary of Macarthur Sunrise, District 9675

Wednesday 4<sup>th</sup> November 2019

Solis Ortus (Sunrise) Campbelltown 5:52am

### From the President

Good morning Sunrisers and welcome to week 18 and another great week to be a Rotarian.

Much is happening this month so please keep an eye on the calendar to check out functions and special events.

On Saturday I walked with the 24 hour group in the Fishers Ghost Parade. This year the parade started at 4pm and the theme was "Not all superheroes wear capes", celebrating those in the community who help others.

Our final disco for the year will be a Christmas theme and we will encourage the discoers to dress up.

I'm hoping that you all consider your role in the club considering our AGM is on 27th November.

If there are any people you would like to invite to our Christmas party on 29th November, please let me know so an invitation can be sent this week.

We will have a break from formal meetings from 18th December to 22nd January. I will be away for most of the month. Anyone interested in getting together with other members are welcome to arrange a time and place.

Have a great week and be kind to someone you don't even know.

Love you Sunrisers ☺

Foundation grants empower Rotarians to approach challenges such as poverty, literacy, and malnutrition with sustainable solutions that leave a lasting impact.

Strong financial oversight, a stellar charity rating, and a unique funding model mean that we make the very most of your contribution.

### AREAS OF FOCUS

We direct our efforts in six areas to enhance our local and global impact. Our most successful and sustainable projects and activities tend to fall within the following areas:

Four outstanding women have been named winners of the 2019 Rotary Inspirational Women's Awards at a sold out lunch held at the City Tattersall's Club on Sunday 27 October.

The lunch was hosted by the Rotary Club of Sydney Darling Harbour. Sixteen women were judged by panels of Rotarians from Rotary Districts across the state.

The Inspirational Women's Awards (RIWA) recognises community service across all sectors and locations throughout NSW. Judging focuses on the level of commitment, dedication, perseverance and proactivity in improving the lives of others. The Awards are open to all women from across NSW.

They are the quiet achievers", whose actions make a difference to their communities.

Rotarians joined the sixteen women who were supported by their partners, families, friends and colleagues, many of whom had travelled from regional areas of NSW to celebrate their achievements.

Dear Rotarian,

This century gives us many challenges. Some of them are to eradicate poverty, reduce inequalities, maintain peace and avoid conflicts, which give a sustainable development of communities. Rotary International, our organization, embraces these ones and connects to the people who need our help.

Our President, Mark Maloney said "Rotary is all about connection. When you join a club, you connect with the business leaders in your community. Rotary connects you and clubs and districts for service around the world."

The whole basis of The Rotary Foundation is to connect Rotary clubs in one part of the world with Rotary clubs in another part of the world, typically Rotary clubs from a developed country with Rotary clubs in a developing country, to undertake a humanitarian service project".

Engaged with our President Mark's words, District 4455, announces Project Fair to be held in the city of Lima from February 21 to 23, 2020, and, which seeks to provide adequate space for experiences exchange and promote projects and ideas. For more information, please write to [feria@rotary4455.org](mailto:feria@rotary4455.org).

You are invited to share friendship, fellowship and explore opportunities to carry out projects. It will be a pleasure to welcome you in my country, where you can also enjoy tourism, gastronomy and more.
