WHERE ARE WE GOING?

Issue 006

March, 2024

From the President

Good Morning Funrisers,

Another busy two weeks have just flown past and we are heading toward Easter with tonight's social at Campbelltown Golf Club.

In the past couple of weeks, we welcomed back our NYSF student, Suhaan Jain, to let us know his thoughts and expectations following this experience. Suhaan presented with confidence and knowledge and showed all members just how worthwhile this program is and the calibre of our local STEM students. We will certainly be encouraging Suhaan to look to other programs to enhance his future and hope we can assist both himself and other students in the future.

Following our morning with Suhaan, a number of members attended the First Responders Dinner at West Leagues Club, a most impressive list of nominees all of whom go above and beyond in service to the community. Tess Oxley, from NSW Ambulance, and Annette Collins, from SES, took out the top awards and will go on to represent our area at state level.

St Patricks Day was another wonderful fundraiser at Bunnings BBQ and my sincere thanks to all members who were able to attend or assist with this event.

Last week we were given a wonderful surprise with Past President, Di Wilson, joining us for our Water, Sanitation and Hygiene morning, it was great to see Di looking so well and hope that she may return whenever she is in our area.

Last Friday, Cathie, Di, Lee, Peter and myself attended the Blue Wren House High Tea Fundraiser at Camden Valley Inn, another great day that emphasised the need (unfortunately) for further houses in our area – it is frightening to know that for every one person accommodated, nine are turned away! I sincerely hope that our club continues to support this most worthwhile organisation.

The "Dolly Bush Bash" committee have been working overtime and the decision has been made to support our community projects as well as No Home MY HOME, a program turning homelessness into hopefulness. Sharon Robertson is the program's founder and spoke to our club some time ago, it is terrific to be in a position to assist such a wonderful cause.

It would be great if members can attend or assist our fellow Rotary clubs with any of their events which are listed in our newsletter. I have always enjoyed the Camden Musical Society's evenings and would recommend them to all members and friends.

We are always thinking of those members who are not feeling well or are unable to be with us at this time, we would love to see you when the time is right. In the meantime, we are only a phone call away if needed.

My best wishes to everyone for a happy, Holy and safe Easter, I hope the Easter Bunny remembers to call at your home with (not too many) enjoyable gifts.

Our year is always full of endless opportunities, our challenge is to CREATE HOPE in the WORLD.
